### **2006 CAMPERSHIPS**

We have selected 20 Queens Scouts and presented them with our 2006 campership awards. Thanks to Rob Petrillo for helping with the process this year. Because of increased fees the boys need to pay for camp, we increased our campership awards to them. We upped the amount we give each scout by 25% to **\$125** per boy to help offset these increases in the TMR fees that the boys need to pay.

Thank you to each and every member of our Association for helping us in our goal to...

***'Help Make Every Scout a Camper'.***

## 2006 BARBECUE COOK'S UP A STORM

The Association held it's annual barbecue at TMR on Friday of Memorial Weekend. Again we were at Camp Keowa, helping out with the Suanhacky Ordeal. Because of threatening weather, we got our tarps up quickly. Then we got the charcoal going at 6pm and by 6:30 we were serving our members and the OA members great dogs, burgers and soda. Because of cost considerations, each member got 2 free items and if they were still hungry, afterwards, could purchase more. With our burgers though, one is a meal in itself.

Each year, the event gets a little tougher to do, and it would be impossible if not for people such as **Elizabeth, Joe and Theresa Figueroa, young Art, Mabel and Artie Brace, Jason & Bill Scheib, Paul Lumpkin, Tom and Monica Evans** and this year, a rookie to our cooking crew, **Max Sackett**.

If you missed our BBQ, you missed laughs, fun, food and love.

## 2006 ALUMNI DAY AT TMR

TEN MILE RIVER will be holding it's Alumni Day on Saturday July 15 at the TMR Museum by Headquarters. The ceremonies begin at 11am. They will serve lunch for a nominal fee.

## 30<sup>th</sup> ANNIVERSARY OF REDEDICATION OF THE TOWER OF FRIENDSHIP

This year marks the 30<sup>th</sup> Anniversary of the repairing and rededication of the TOWER OF FRIENDSHIP on Crystal Lake.

In 1986, brothers of Suanhacky Lodge, under direction of Henry Joerz and Russ Maerz repaired the tower that had been damaged from years of weathering and vandalism. Rocks were secured, a new scout head put on the top and some landscaping done. (FYI; The original scout head was a Norman Rockwell sculpture, with Vincent Kohler, Jack's older brother being the model for it).

When the ceremony was held to rededicate the Tower, a plaque was put on the base, declaring it was done on fond memory of JACK KOHLER. If you visit TMR, please stop by the tower and pay your respects.
